

Earn an additional income stream, and let us do most of the work!

Sounds too good to be true?

We already do this with lots of Managing Agents in East Anglia

We provide landlords and tenants with simple and easy to understand insurance policies, designed specifically for their needs.

How do we find them? We work in partnership with Managing Agents who introduce us to landlords and tenants by:

- Displaying and handing out our leaflets
- Include our leaflets in their tenants and landlord packs
- Adding a link from their website to our website

Commission

We pay commission on all new tenant and landlord policies placed through us, and as long as you continue to manage the property, we also pay commission on renewals and mid-term changes.

Example cheque recently sent to one of our Managing Agents

Claims

Most claims are handled in-house. We work with you and your contractors to get the property back to normal as quickly as possible.

Ongoing support

A dedicated account manager, plus a monthly e-newsletter keeping you informed, with content you can use for marketing.
